

Dear colleagues

Please save the date and join us for the 20th World Congress of Basic and Clinical Pharmacology 2026 (WCP2026) in Melbourne/Narrm, Australia from 12-17 July 2026.

We look forward to welcoming the world's pharmacology and therapeutics community including students, early career pharmacologists, global leaders and innovators in education, clinical pharmacology, and at the cutting edge of drug discovery and development.

Why should you attend?

- Connect and collaborate with researchers, clinicians and educators from around the world.
- Share and discuss cutting-edge research in basic, clinical and translational pharmacology.
- Learn from world-class plenary speakers, innovative symposia and interactive workshops.
- Explore solutions to pressing challenges in pharmacology and therapeutics.
- Discover Melbourne's thriving arts and culture scene.
- Experience Australia's captivating natural landscapes and cuisine.

We hope you will be able to attend what promises to be an enriching and memorable week.
